The Financial Desk Consultant

The Financial Desk Consultant who had been engaged in financial business both in and outside Japan for many years supports foreign financial companies in their establishment of business in Japan.

Services provided by the Desk

- Provides information and gives advice on Japan's financial rules and regulations, and required procedure such as registration and acquisition of financial license.
- Supports the establishment of business (e.g. provides information on the registration of the establishment of an incorporated company etc.).
- Introduces financial experts (such as lawyers, accountants and tax accountants, and administrative scriveners, etc.) and consultation desks, if it is needed.
- Supports application for the subsidy program for covering the part of expenses on the establishment of business in Tokyo (expenses eligible for this subsidy program are the part of fees incurred in consultation with experts and personnel recruitment costs).
- Supports business matchups.
- Provides living information on hospitals and schools where English is available, etc..

Joint Consultation Scheme with the FSA

The TMG's Financial One-Stop Support Service closely cooperates with the Financial Services Agency (FSA)'s 'Financial Market Entry Consultation Desk' (<http://www.fsa.go.jp/en/policy/marketentry/index.html>) in order to provide comprehensive support for the foreign financial companies considering the establishment of business in Tokyo.
