

To anyone who is using Tokyo Metropolitan Government's programs to attract overseas financial services businesses. (please check your eligibility overleaf)

Information for the Highly-Skilled Foreign Professionals Point Special Addition System

We will begin accepting applications through the financial one-stop support service from April 1, 2021!

Foreign nationals who work for foreign companies which are using the programs run by Tokyo Metropolitan Government can win special additional points under the "Points-Based Preferential Immigration Treatment for Highly-Skilled Foreign Professionals" based on the provisions of the National Strategic Special Zones Law.

Points-Based Preferential Immigration Treatment for Highly-Skilled Foreign Professionals

- Activities for skilled foreign human resources are classified into three categories - advanced academic research activities, advanced specialized/technical activities, and advanced business management activities.
- Points will be set for each item, such as academic background, professional career, and annual salary, in accordance with the classification, and **preferential treatment for immigration and residence management will be given when the total points reach 70 or more.**
